

Overseas Recruitment & Business Immigration

We help companies with global aspirations in managing permanent and contract recruitment services as well as non-executive and part-time appointments. As of now these services are available in India and Europe, but we are rapidly expanding our reach in North America, Asia Pacific, Middle East and Africa.

We also provide temporary staff to our overseas clients to manage peak loads and any special project requirements in India.

We offer the following services:

- ✚ **Basic recruitment**
- ✚ **Retained search and headhunting for specialised roles**
- ✚ **Advertised selection**

In conjunction with our other services, we also offer immigration support for businesses wishing to establish a presence overseas.

We provide advice for:

- ✚ **Immigration and Visa advice for newly arriving or start-up business in an overseas market**
- ✚ **Existing businesses with overseas operations wishing to bring overseas nationals into the foreign operation to work**

We advise both Companies and individual employees and their dependents on:

- ✚ **The best visas to apply for**
- ✚ **The initial visa application process**
- ✚ **Visa extensions or change of status**

The main visas we assist with are:

- ✚ **Business visa**
- ✚ **Work Permit applications**
- ✚ **Dependent visas**

We also work with our corporate clients to formulate the most efficient immigration and overseas working policy. We work with various immigration authorities and border control agencies in order to decide the best policy for companies and countries.
