

## Tax, Legal and Accounting Services

**International Advisory Council works with a team of experienced lawyers and accountants to manage complete financial processes for various small and large organizations operating globally.**

Through our partners, we provide a range of services including preparation, maintenance and review of financials, client specific MIS reports, undertaking tax compliance's in the market and preparation of Balance Sheet and Profit & Loss Account for the purposes of audit purposes. We also provide complete payroll management and maintenance and the related tax risk advice. In addition, our partners also undertake various secretarial assistance services such as incorporation of companies, maintenance of statutory records.

International Advisory Council offers comprehensive assistance in relation to finance, legal and accounts outsourcing to its clients who are looking for a one stop finance and statutory compliance management center. Our partners and specialist have the industry knowledge, process expertise and experience to deliver a broad spectrum of financial and accounting services processes – from basic data capture to complex value-added services.

All our partners come with multiple years of cross border advisory experience and our services include:

- ✦ Preparation, maintenance and review of the books of accounts in accordance with the statutory accounting practices of the land and conversion of the same as per International GAAP standards. We also help companies with tax planning and restructuring of business
- ✦ Payroll outsourcing allows our clients to hand over the responsibility for managing payroll maintenance and taxation risks to specialists having enough resources to monitor the situation and respond accordingly. This includes national insurance, pensions, provident fund, preparation of employee tax certificates and providing web based interface for complete monitoring and supervision.
- ✦ Secretarial services such as compliance with all company law requirements such as maintenance of statutory records, filing of required documents with the companies registrar etc. We also prepare employment contracts and advise companies on how to structure their operations.
- ✦ Tax services are provided for direct and indirect taxes such as Corporate Tax, Stamp Duty Land Tax, VAT etc. Our partners can advise to both individuals and corporate and identify tax mitigation opportunities where appropriate. There are an increasing number of other “indirect taxes” which a few businesses are subject to. We also work with indirect tax practitioners who have the knowledge and expertise to advice in the lesser know areas of taxation.
